## FHC ANNOUNCEMENTS

This month we welcome our new Director of Nursing, Basiru Ceesay! Welcome to the Holgate Family, we are so happy to have you join our community!

## OFH ANNOUNCEMENTS

We have a very busy schedule in May! Rhonda and the residents are working very hard on our Annual Dinner Theater on May 25th.

We have our new med room opening at the end of the month, that we are all very excited about. The new med room will be based around a medication delivery system that is focused on the residents and their care needs.

Jose is dusting off the BBQ grill to get ready for all the outdoor cooking and warm weather!

Thanks to Vlad, we now have music in the dining room! It is creating a calming affect and the residents love it!

Odd Fellows is gearing up for several new residents to join the family during the month of May!

We are busy, busy, busy, and loving it!
