In Memoriam Cindy Farrester

Cindy Farrester was born March 14th, 1961. On March 16th, she began working at Friendship Health Center as a CNA. In her 42 year tenure, she became one of the most valuable among our team, first as a CNA and then as our fearless "Chaos Coordinator". Cindy was always there for our residents and our staff, no matter what. She always said, "If a resident asks me to stand on my head, I stand on my head." As the Staffing Coordinator, she went out of her way to make sure everyone had the shifts that they wanted, worked countless overtime to make sure everything was covered, and listened when we needed it. On August 15th, 2023, Cindy passed away. She will forever be loved and missed by those who were lucky to know her.

Celebration of Life for Cindy will be held on September 9th from 1-4pm at Omega Funeral and Cremation Service, 223 SE 122nd Ave, Portland, OR 97233

This is not a formal service. You can come anytime between 1 and 4. Come share stories, memories and tears. If you have blue, please wear it. This is a casual event so you don't need to dress up.
