FHC ANNOUNCEMENTS

This month we are thrilled to recognize Tanya Anderson, our new Staffing Coordinator for not only delivering top-notch work but also doing it at warp speed. Your skills and expertise as a CNA will make a big impact in this position, our team is here to support you in every step of the way as you settle in. Your dedication sets a high standard for all of us, and we're grateful to have you!

Our new NA students have been doing their rounds and working hard, we want to give a shoutout to some of the CNAs that went above and beyond to make them feel welcome. Laura Hansen and her NA students mentioned: Janae Monagon, Kelly Leahy, Maggie Encinas, and Tracie Holloway, Thank you for taking the time to go the extra mile.

OFH ANNOUNCEMENTS

Odd Fellows says goodbye to summer with a party of course!! We had many fun events during the summer months but look forward to the holiday season! More to come! We will hold our annual flu clinic in November, so all residents that have not been vaccinated yet, will have the opportunity to do so 11/21.

We are ramping up admission at Odd Fellows and welcoming many new members of the family. If you see a new face on campus, please make them feel welcome and say hello! Moving into a new community is really difficult for some residents, and having someone say hello, smile at them, and welcome them, can really go a long way when they're trying to transition and become accustomed to their new home.
